Your journey begins this morning with a short flight on-board a private aircraft from Las Vegas to Merced, the gateway to Yosemite National Park. Upon arrival in Merced, you'll board a motorcoach and retrace the original route to Yosemite along Highway 140, the first route into the park that brought travelers directly to the valley floor along the Merced River Canyon. Once inside the park you will be introduced to some of Yosemite's most famous and awe-inspiring scenery, including Yosemite Falls (seasonal), Half Dome, El Capitan, Tunnel View, and Bridalveil Falls. Postcard-perfect pictures abound so be sure to have your camera ready.

Day 3: Yosemite - Sonoma - San Francisco

Leaving the wonder of Yosemite behind, today you'll make your way west via motorcoach to Northern California's beloved City by the Bay, San Francisco. En route, we visit a winery in the famed Napa Valley and you will have time to explore the quaint town of Sonoma. Considered one of the greatest cities in the world for many reasons, San Francisco's 49 square miles of distinctive terrain - water on one side, hills on the other - leads to spectacular views, a multitude of ethnically diverse neighborhoods and one-of-a-kind experiences.

This morning, a comprehensive city tour provides a fun and exciting way to get an overview of the city and enables you to truly appreciate many of San Francisco's most famous sights, including the Golden Gate Bridge, Chinatown, Union Square, and Fisherman's Wharf. And, as no visit would be complete without taking a cruise on the Bay, you'll set sail, passing the famous PIER 39 sea lions while making your way along the historic waterfront which reveals the city's spectacular skyline. Be sure to take full advantage of prime photo opportunities with unobstructed views in every direction as you glide under the iconic Golden Gate Bridge and circle the notorious Alcatraz Island. The remainder of the day is yours to explore the city's amazing sights, scenes, and neighborhoods at your leisure. Ever ride a national landmark?
