This itinerary is only a guideline and would be best discussed on a day-to-day basis with your driver guide to maximise your safari experience.
From Nairobi, it takes around 45 minutes to fly over the scenically beautiful Great Rift Valley.
On arrival in the Masai Mara, you will be met at the airstrip and driven a short distance to camp.
Lunch in camp, then head out for an afternoon game drive to explore the Masai Mara National Reserve.
This is Africa at its most serene. How lucky to find ourselves in such a heavenly sanctuary!
A jewel of a reserve that quietly shows off rich flocks of birds and grazing animals such as waterbuck, zebra, and gazelle.
Your first views of the park will be of its rolling, open spaces, delightful acacia trees and perhaps some early wildlife sightings.
The Mara is known to possess the greatest concentration of wildlife in the region.
So, let's start looking for those Big Five, plus giraffe, zebra, ostrich, and so many others.
Accommodation: Governor's Camp.
Accommodation: Rooms | 1 x Double Luxury Tent - Standard Meal Plan | Full Board.

Day 3: Maasai Mara Reserve Safari.

A full day at the Mara with early morning and afternoon game drives, exploring the vast plains and the riverine vegetation of the Mara in search of the abundant game found in this reserve.
There's also an option of having a bird's eye view of the Mara in a hot-air balloon safari and you can also visit Maasai village in between the game drives. (own account)

Paje Beach is known for its water sports, and the excellent kitesurfing conditions draw amateur and professional kitesurfers from all over the world to this specific area of the island.

In addition to this, the clear, warm waters are great for scuba diving. The reefs offshore are home to turtles, starfish, trumpet fish, moray eels and other colourful marine creatures.
