The reason people love hotel rooms is because they're quite literally designed to help you relax, feel on holiday, and of course, get a good night's sleep. That's why we have nine different room categories to cater to different travellers' needs. But what all have in common is their beach house feel, thanks to soothing colour palettes, hints of navy, mustard, and the occasional salmon pink bathroom wall-gorgeous as a backdrop to an indoor plant. The vibe is playful but chic and will transport you exactly where you need to be: on holiday that is. Go vegan with our Keen on Green concept, found in all restaurants. Dress up for Le Tastevin, our private dining room. Our signature Peruvian restaurant with cocktails starring pisco and a menu highlighting the multicultural traditions that shape Peruvian cuisine. Accommodation: Lux Grand Gaube Resort &amp; Villas Room   1 x Junior Suite   Meal Plan  All Inclusive.</p> <p><b>Day 6 - 11: Mauritius Beach Relaxation.</b> Spa day - at own account. Well, we have both. And tennis courts of course! Our calm lagoon lends itself to all the watersports. Sunrise yoga, outdoor workouts, a game of Bocce... The list goes on!
