Rocky Mountaineer

2 Day Rail

Relax and join us onboard Rocky Mountaineer for two days of all-daylight rail travel through Canada's West and the Canadian Rockies.

DAY 1 Vancouver to Kamloops

DESCRIPTION

Departing early in the morning, travel onboard Rocky Mountaineer from the coastal city of Vancouver to Kamloops, located in the heart of British Columbia's interior. On today's journey, you will see dramatic changes in scenery, from the lush green fields of the Fraser Valley, through forests and

winding river canyons surrounded by the peaks of the Coast and Cascade Mountains, to the desert-like landscapes of the BC interior. Highlights include the rushing waters of Hell's Gate in the Fraser Canyon and the steep slopes and rock sheds along the Thompson River. Your day ends in the evening as the train travels along the shores of Kamloops Lake into the town of Kamloops. Overnight in Kamloops. B, L.

**YOUR HOTEL**

**Kamloops Accommodation - HOTEL ROOM DOUBLE**

Upon check-in for your train departure, you will receive a boarding pass which will indicate your accommodation in Kamloops or the surrounding area, including Sun Peaks Resort. You will stay in moderate two- or three-star accommodation with essential amenities and great service. While these accommodations are clean and comfortable, they may not be as luxurious as those in other destinations on your journey.

**DAY 2 KAMLOOPS TO BANFF**

**DESCRIPTION**

Early in the morning, your journey continues eastward to the mighty Canadian Rockies and the province of Alberta. Once again, you will experience ever-changing scenery as you travel across ranchlands, along rocky lakeshores, over high mountain passes and through the remarkable tunnels that form part of the rich rail history of the Canadian Rockies. Today's highlights include Craigellachie, where the last spike of the Canadian Pacific Railway was driven, the climb over Rogers Pass, Kicking Horse Canyon, the Spiral Tunnels and, of course, the iconic glaciers and snow-capped peaks of the Canadian Rockies. Your rail journey ends this evening in the resort town of Banff. B, L.

**GOLD LEAF SERVICE INCLUDES:**

**Travel & Transport**

2 days Rocky Mountaineer SilverLeaf or GoldLeaf Service Luggage handling and rail station transfers in Kamloops Accommodations

1 nights hotel: Kamloops Dining

2 breakfasts, 2 lunches From the exterior, it's easy to tell a GoldLeaf Service coach from a SilverLeaf Service coach. With a dining room and an outdoor viewing platform on the lower level, plus spacious, reclining seats and full-dome windows on the upper level, our bi-level, GoldLeaf Service coaches stand taller than our single-level SilverLeaf Service coaches. The upper level is where you can relax, stretch out in comfortable, reclining seats and enjoy complimentary beverages and snacks while one of four dedicated hosts share stories about the areas the train passes through, and serve you meals. Want to stretch your legs, take videos and photos from outside or join everyone in the dining room for breakfast or lunch? Take the spiral staircase to the lower level. Or, if you or a travel companion requires mobility support, our GoldLeaf Service coaches do have an elevator (approved by the Americans with Disabilities Act) - just remember to let your vacation consultant know in advance if you will require any additional support like wheelchair or elevator access, and we'll do our best to make sure everyone is comfortable and taken care of. On the lower level, you'll find our GoldLeaf Service dining room and the adjacent galley in which our culinary team prepares multi-course, gourmet meals that will keep you well-fed throughout your journey. It's also where you'll find two bathrooms and a door leading to the outdoor viewing platform. Outside on the platform, you can take photos, enjoy conversations with fellow travellers, and experience the sights, sounds, and smells of Western Canada's great outdoors.

If you don't want to miss a second of the ever-changing landscape, our SilverLeaf Service is for you. Once seated, you really won't have to get up again - unless you want to! However, our SilverLeaf Service coaches offer a generous amount of space for you to stand, stretch or look at the view from the over-sized windows. In SilverLeaf Service, your freshly prepared meals, beverages and snacks are served at your seat, and everything is located on one level. Two dedicated onboard Hosts will look after your every need here in this incredibly roomy coach. These hosts are also great storytellers, too, and will share the history and highlights of the regions we pass through during your journey. If the views beckon you outside, or if you just want a breath of fresh air, SilverLeaf Service coaches do have a small, more enclosed outdoor area that can be shared comfortably by one or two people at a time.
