Breakfast at the hotel. At around 1 pm, your guide will be waiting in the hotel lobby to start a 4-hour guided tour of this charming city, which was the capital of the Inca Empire. The tour starts with a visit to Santo Domingo Convent, a large Renaissance-baroque complex, which was built over the Inca Coricancha temple. It was one of the most important temples dedicated to worshipping the sun, and its foundations are still prominent at the base of the convent. Ancient chronicles say the temple was covered in gold leaf and filled with golden representations of nature. Then, visit the Cathedral, the most imposing monument of the Main Square. You will be transferred to the hills above Cusco to visit the remains of the fortress of Sacsayhuamán, whose imposing ramparts offer a stunning panoramic view of Cusco, the ruins of the temple and amphitheater of Qenqo, where it is believed the Incas practiced agricultural rituals. Admire Qenqo and then finally visit Puka Pukara (Red fortress in Quechua) an Inca military complex located on a prominent hill. Its dwellings squares, bathrooms, aqueducts, walls, and towers can still be appreciated. Afterward, return to your hotel at about 5.30 pm.

**📅 Sun 27 Oct 2024: Cusco Machu Picchu Cusco (75 Km 2 hrs drive / 1.5 hrs by train)1**

Early Breakfast at the hotel. Pick up at the hotel at around 4.30 am. The exact pickup time will be confirmed one day before. Transfer to Ollanta train station. Your tour to Machu Picchu begins with approximately one hour and a half train ride to Aguas Calientes. This town is also known as "Machu Picchu Pueblo". Upon arrival, you will be guided to the bus that takes you to Machu Picchu. After a 25-minute bus ride, you will finally arrive at the 'lost city of the Incas'. It is believed that Machu Picchu was built for the Inca emperor Pachacutec around 1450 as a holiday residence. The citadel was abandoned just over 100 years later, probably as a result of the Spanish Conquest, although historians have never uncovered why it was abandoned or how it escaped the destruction that other Inca settlements faced. Instead, the jungle slowly engulfed its stone construction, covering it in thick vegetation that kept it hidden and protected until the lost city of the Incas was brought to international attention in 1911. Your 2.5-hour tour will introduce you to the origins of this impressive citadel and guide you around some of its most iconic monuments, such as the main square, the royal rooms, the Temple of the Three Windows, the circular towers, the Sacred Clock, and cemeteries. At the end of the tour, return by bus to Aguas Calientes for lunch. Finally, you will return by train to Ollanta Station and will be transferred to your hotel in Cusco in the late afternoon.
