Thu 12 Sep 2024: Seaplane Transfer to Hotel

Seaplanes operate in daylight hours only, therefore you need to select an international flight that arrives in the Maldives no later than 15:30, and departures from Male no earlier than 9 am, are usually not accepted. Please note that seaplanes may not operate a direct service and may include multiple drop-offs. Please also note that seaplane transfers do not operate in bad weather and this may cause delays reaching your resort.
