As you exit the metro station, there are two fruit kiosks at Monastiraki square, right in front of you. I will be among them, carrying a big back pack with our yoga mattresses! I am the girl with the very long hair...!!!

What to Expect

This is a Private Tour

Ancient Greek Meditation & Theta Healing introduction at the high frequency vibration spots of Acropolis. This is a presentation of the ancient Hellenic form of spirituality at a guided tour at the sacred hill of Acropolis. We will walk through the actual places of cosmic importance at the ancient world and you will practice the Henosis, the process of unification with The One at the most dynamic and high vibration energy spots inside the archaeological sites. Unity is the goal of everything, according to Plato and within this session you will expand your noetic vision to reinforce self-knowledge. Your experience will start with a walking tour around the sacred rock to discover the energy springs of the Acropolis. During this tour, I will explain in simple way the ancient Greek methods to achieve enlightenment as I will present you the 147 Delphic Maxims and instructions on the moral and ethical lessons as given by the Seven Sages at the Delphi Oracle. After about 60 min, we will visit a specific site (depending on the weather) in order to do the presentation and the practice of the Henosis Meditation. (1 h)

Theta Healing Session at the extended version of the tour

Duration : 2 hours, 30 mins

Monastiraki square in front of the little church on the square

What to Expect

Duration: 4 hours

Psirri

Vibrant Psirri centers on Iroon Square, whose surrounding streets have eateries offering meze and live music, including rebetika (Greek blues). Bars with DJs stay open late, as do tavernas serving traditional specialties like meatballs and Greek salad. Small artisan shops, often decorated with graffiti, sell handmade leather bags, indie fashions, and offbeat homewares.

30 mins - Admission Ticket Free

Cinque Wine Delights

It's a Wine & Deli Bar located in the picturesque neighborhood of Psyri.

15 mins - Admission Ticket Free

Monastiraki

Lively Monastiraki is known for iconic landmarks including the ruins of Hadrian Library, the Ancient Agora, and the rebuilt Stoa of Attalos, with a museum exhibiting Athenian artifacts. Monastiraki Flea Market is a jumble of shops selling artisanal soaps, handmade sandals, and souvenir T-shirts. The surrounding streets are crammed with traditional tavernas and restaurants, many with Acropolis views.

10 mins - Admission Ticket Free

Plaka

In the shadow of the Acropolis and its ancient temples, hillside Plaka has a village feel, with narrow cobblestone streets lined with tiny shops selling jewelry, clothes, and local ceramics. Sidewalk cafes and family-run tavernas stay open until late, and Cine Paris shows classic movies al fresco. Nearby, the whitewashed homes of the Anafiotika neighborhood give the small enclave a Greek island vibe.

10 mins - Admission Ticket Free

Feyrouz

Feyrouz is a hidden spot, in the historical Athen's center, next to Aioulou Street. Its aim is to present to the visitors the small, gastronomical family history

Mon 05 Aug 24: 1-Hour Greek Massage using Unique Techniques in Athens

► 1-Hour Greek Massage using Unique Techniques in Athens

Overview

Unique, traditional and interesting techniques. Cretan massage: A deep massage based on Cretan virgin olive oil, Cretan raki, orange extract strong>and cinnamon. Ancient Greek Massage: A Hippocratic massage, begins with the application of powder, this is followed by pure virgin olive oil, essential oils from the Greek land and massage with special silicone suction cups to deal with the muscular tensions of the body. Queen: Cleopatras key beauty secret was bathing in a mixture of donkey milk, honey, and almond oil. This is how she kept her skin clean, moisturized, shiny, soft and protected it from premature aging. Our main priority is to ensure our requality cleanliness criteria, we use branded disinfection products, adapted to the strict standards for the treatment of coronavirus, our equipment is thoroughly cleaned and disinfected after each use. In this way we ensure avoidance the transmission of germs and we succesfully prevent the coronavirus from spreading.
