Sun 10 Nov 24 - Sigiriya

Early morning with your packed breakfast proceeds to Minneriya National Park. The Morning Safari will commence at 5:30 am.

Minneriya is yet another haven for the elephants that migrate from surrounding jungles to enjoy the lush grass fields on the banks of the Minneriya reservoir, during the dry season. Reports of elephant sightings range from a mere 100 to an astounding 700. The central feature of the park is the ancient Minneriya Tank (built in 3rd century AD by King Mahasena). This tank is generally known as a place to observe the elephants that come to bathe and graze on the grasses as well as the huge flocks of birds that come to fish in the shallow waters. Therefore, proceed to climb Sigiriya Rock, Referred by locals as the Eighth Wonder of World, this ancient palace and fortress complex has significant archaeological importance and attracts thousands of tourists every year. Sigiriya rock plateau, formed from magma of an extinct volcano, is 200 meters higher than the surrounding jungles. Later in the afternoon return to the hotel for relaxation & and chill for the rest of the day and night.
