Accommodation: Arumeru River Lodge or similar.
Room | 1 x Double Room - Standard Meal Plan | Dinner.

➤Day 2: Arusha - Tarangire National Park.

After breakfast departure to Tarangire National Park. Enjoy a full-day game drive in Tarangire NP with a picnic lunch. The Tarangire National Park is known as a wonderful birding destination and also features large numbers of game, particularly during the dry season, when the Tarangire River is the only source of water in the area. This 2 600 sqm park is the home of rare species such as the Gerenuk, small Kudu, and Oryx... Late Summer & Autumn is a great time to game drive in this park. Lots can be seen: Big cats, Elephants (thousands can even be seen in one day!), Giraffes, Buffalos... Dinner & overnight at Maweninga CampMaweninga camp is installed atop a great granite massif, in the north-west of Tarangire National Park. It is part of the small number of accommodations installed in the national park itself.
Accommodation: Maweninga camp or similar.
Room | 1 x Double Room - Standard Meal Plan | Full Board.

➤Day 3: Tarangire - Manyara National Park.

Early morning game drive in Tarangire NP. Then head towards Manyara. Game drive in Manyara NP with picnic lunch Although the smallest of all north Tanzania National Parks, Manyara National Park offers an important variety of animals including Lions, Elephants, Giraffes, and Buffalos... in a wonderful setting surrounded by the Rift Valley and the Manyara Lake with its thousands of birds. All in a wonderful setting surrounded by the Rift Valley and the Manyara Lake with its thousands of birds.
Swimming pool on site.
Additional activities include Mountain biking, guided walks, and massage. (Own account)
Accommodation: Bashay Rift Lodge or similar.
Room | 1 x Double Room - Standard Meal Plan | Full Board.

➤Day 4: Ngorongoro Crater.

Leave the lodge after breakfast & enjoy a full day of game driving in the Ngorongoro Crater. Picnic lunch in the crater. The crater is a unique place in the world, 20 km wide and home of hundreds of different species all protected by a 600m wall. All the big African mammals can be found in the crater: Big cats, Elephants, Hippos, and last but not least, Rhinos.
